

Ohio State School for the Blind - 2018 Summer Camp Opportunities

Art Around the World

Grades 2-4 June 4-8 (Day Camp)

Learn about art from different countries with exciting hands on projects. Campers will learn about Japanese Origami, French Impressionism, and art from Egypt, China and Africa. Comparisons with American art will be discussed. Geography lessons, complete with cultural components help students engage with the academics of art. Students will explore famous artists who have impacted the art world and will take a field trip to the COSI. Each student receives their own personalized art smock.

Fairy Tales on Trial

Grades 8-12 June 4-8

Order in the fairytale court! Is Jack guilty of robbing the giant of his hen that laid the golden eggs, Snow White guilty of trespassing or Goldilocks guilty of breaking and entering? Fairytales on Trial takes beloved classics and enables young legal minds to examine them from a new perspective. After learning about the U.S. justice system, students will engage in their own role-plays, putting their favorite fairytale characters on trial, learning about various roles in the courtroom while a jury of their peers determines the outcome of the defendant.

Multiple Disabilities Camp

Grades 3-7 June 4-8 (Day Camp)

Hands on activities promote positive active participation. And focus on increasing self-esteem, developing appropriate social skills, and engaging academic work. Activities will include music, movement, cooking, sensory, and lots of fun! Academic and expanded core curriculum for the visually impaired will be addressed through socialization, games, and art. This week will provide opportunities to make new friends and learning new skills!

Ocean Investigations

Grades 1-3 June 11-15 (Day Camp)

Join us for a week filled with ocean investigations as we learn about ocean habitats and the properties of the water cycle. We will discover how oceans impact us and how we can protect them. How many oceans are there and how can we be safe at the ocean? There will be lots of water adventures so grab your swimming suit and join us at our elementary Science camp this summer as we venture Under the Sea! Zoo visit included.

STEM—Aeronautics

Grades 8-12 June 11-15

If Science and Math are your thing, this is the camp for you. This year's camp will focus on aeronautics, the Wright Brothers, and Ohio's history on the frontier of science and technology. Camp will include a multitude of activities related to Ohio's contributions to technology and aviation, hands-on activities on the OSSB campus, field trips to Carillon Park, The Air Force Museum in Dayton, and much more!

ECC Camp

Grades 8-12 June 18-22

ECC Camp will focus on various areas of the Expanded Core Curriculum. Campers will learn to prepare meals and sharpen independent living skills. Campers will learn about standard and accessible technology, while completing fun, educational projects related to all things technology. Activities planned relate to vocational skill development, leisure, orientation & mobility, social skills and communication.

Math and Movement

Grades 3-7 June 18-22

The program will focus on learning math through movement and student involvement. The curriculum, based on Ohio's New Learning Standards for mathematics, language arts, and physical education, has students participating in learning activities, reinforced through the concept of total body movement and active participation in the learning process. Learning activities will include group and individual activities, including aquatic and track & field.

Volcano: Hot Braille

Grades 3-7 July 9-13

This camp is for students who use Braille as a means for written communication and accessing information. Students should be involved in the Ohio State Tests. Students work to improve and enhance existing Braille skills through educational and fun science activities. All activities for the week are based on the Ohio's New Learning Standards. Activities in English Language Arts and Science and include instruction in braille usage and games, science, letter writing, storytelling, and journal writing skills. Assessments to identify and establish braille proficiency skills are included. Camp will conclude with a luau!!!

All camps are Residential and Day unless otherwise noted (Residential campers arrive on the Sunday before camp.) **Cost for each is \$25.** Email SummerCampsOSSB@ossb.oh.gov for information.
